NOTE

THE CATHOLIC DIRECTORY, now in its ninety-third year of publication, was preceded early in the 18th century by the *Ordo recitandi Officii Divini*, &c. In 1782 were added to the *Ordo* the conditions for gaining the eight Plenary Indulgences ; in 1787 an Obituary of Clergy and Laity ; and in 1791 a notice of schools.

In 1793 was issued, by the publishers of the *Ordo*, the *Laity's Directory for Church Service*, &c., which, besides directions in English for the Divine Office and the Holy Mass, contained a list of Chapels in and near London. The two publications were continued for nearly fifty years, the *Laity's Directory* increasing from time to time in the amount of its information.

In 1838 appeared for the first time the *Catholic Directory*, &c. After a year the *Laity's Directory* was discontinued ; and in 1840 the *Catholic Directory*, together with the *Ordo*, was published "*permissu superiorum*," that is, in respect of the *Ordo* and of the official parts of the Directory, with Episcopal sanction.

Each sheet of the Directory contains, as far as possible, the latest information down to the time of its going to press.

PREFACE

IT will at once be noticed by the user of the *Catholic Directory* for 1930 that it appears in a slightly different form. It was felt that the time had come for the type of the whole work to be reset, and occasion was taken to introduce certain changes in format which would otherwise have been difficult to bring about. The main alteration in arrangement consists in the abolition of the classification by counties. Henceforth the places in each diocese will be found arranged in one single alphabetical order. An index of counties showing the dioceses will be found on page xii. An attempt has also been made to make the entries clearer by introducing a more definite separation between the geographical and personal particulars for each church and the times of services. The biographical particulars in the peerage and its allied sections have been considerably cut down, as it is felt that for more detailed information on such matters recourse may more naturally be had to the *Catholic Who's Who*. These changes have made it possible to produce a less bulky, but no less informative, volume, thereby allowing of easy inclusion into many future editions of the additional matter that yearly results from the continued expansion of the Church in England, Wales and Scotland.

All communications respecting the notices in Part IV, or the trade advertisements, or orders for copies of the book, should be sent, not to the Editor, but to the Publishers, BURNS OATES & WASHBOURNE, LTD., 43, 44, 45 Newgate Street, London, E.C.1.

In the Church notices † denotes that it is registered for Marriages.

The sign ¶ indicates that a Catholic elementary school is attached to the Parish.

When two dates are given the first is generally that of the foundation of the Parish : the second is the date of the existing Church or Chapel.

The last Mass, or last but one, on Sundays, and in many Churches on Holidays of Obligation, is generally a High Mass, or a " Missa Cantata."

In the notices of services it is found necessary, for want of space, to omit the mention of many minor and occasional services ; also to omit other details, in regard to confraternities, &c.

Where a telephone number is given without the name of an exchange, it is to be assumed that the exchange bears the name of the town to which the entry refers.

MARRIAGES

In consequence of the Papal Decree "*Ne temere*" of August 2, 1907, which came into force at Easter (April 19) 1908, marriages between Catholics, or between Catholics and non-Catholics, must be celebrated before a Bishop or Priest duly authorised for the celebration thereof. Such marriages, if they are not so celebrated, are indeed, for all the civil effects and purposes of marriage, valid and binding legal contracts *under the civil law*, if the conditions and requirements of the civil marriage-law are fulfilled ; but they are null and void *before God*, and the parties are not, in the sight of God, husband and wife.

In all *civil* contracts, the State has power to determine under what conditions they shall be civilly valid. But the marriage of baptized persons is not a merely civil contract ; it is a *sacred* contract, raised by our Lord Jesus Christ to the dignity of a Sacrament. Therefore, the power of determining the conditions under which the marriage of baptized persons shall be valid before God, and binding in conscience, exists by Divine authority in the Church of Christ and nowhere else.

The *solemn* celebration of marriages is, by a general law of the Church, forbidden from Ash Wednesday till the day after Easter Sunday and from the 1st Sunday in Advent till the day after Christmas.

Mixed Marriages

A "mixed marriage" (that is, a marriage between a Catholic and one who, though baptized, does not profess the Catholic Faith) may not take place without a dispensation ; and the dispensation cannot lawfully be given unless for a sufficiently grave reason, and subject to the following conditions : 1. That *all* children that may be born of the marriage shall be baptized, and brought up, in the Catholic Faith. 2. That the Catholic party shall have full liberty for the practice of the Catholic religion. 3. That the Catholic party shall endeavour, especially by prayer and the example of a good life, to convert the other to the Catholic Faith. 4. That no religious marriage ceremony shall take place except in the Catholic Church.

THE SACRED COLLEGE OF CARDINALS

The Cardinals, as the advisers and assistants of the Sovereign Pontiff, are the supreme council or senate of the Church. On the death of the Pontiff, they elect his successor.

There are three orders of Cardinals, *Bishops*, *Priests* and *Deacons*. These orders are distinct from those of the Hierarchy: with very few exceptions, the Cardinal Priests are archbishops or bishops; and the Cardinal Deacons are generally priests.

The Sacred College, when complete, consists of 70 members: 6 Cardinal Bishops, whose Dioceses are the seven 'Suburban Sees,' near Rome; Cardinal Priests, who take their title from the 'Titular Churches' to which they are appointed, with jurisdiction and right to a throne, &c., therein; and Cardinal Deacons, who are appointed to other churches called 'Deaconries.'

The first Cardinal Bishop is *Dean*, the first of the Priests is *First Priest*, and the first of the Deacons is *First Deacon*, of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope.

On the death of the Pontiff the Cardinal *Camerlengo* has the administration of the affairs of the Holy See.

The 'creation' of a Cardinal sometimes precedes, even by several years, its 'publication' or proclamation. The Cardinal is then said to be 'reserved *in petto*'; and, when proclaimed, he takes precedence according to date of creation.

There are at present 57 Cardinals, and 13 vacancies in the Sacred College. Of the 57 Cardinals now living, 2 were created by Leo XIII, 14 by Pius X, 14 by Benedict XV, and 27 by His Holiness Pius XI.

Of the 57 Cardinals, 28 are Italians; 8 Austrian, Hungarian or German; 2 Poles; 6 French; 2 British subjects; 4 Spanish; 4 of the United States; 1 Dutch; 1 Belgian; and 1 Brazilian.

SEES, VICARIATES, AND PREFECTURES

IN THE BRITISH EMPIRE

I. VICARS-APOSTOLIC IN ENGLAND AND WALES

PREVIOUS TO THE HIERARCHY (1850)

On the death of the last of the Marian Bishops, in the reign of Elizabeth, the Catholic Hierarchy in England became extinct. The country was ruled for a time by an Archpriest; afterwards by Vicars-Apostolic in Episcopal orders, first one for all England, then two, then four, and finally eight.

The ancient Hierarchy ended with THOMAS GOLDWELL, Bishop of St. Asaph, who died in Rome, April 3, 1585, about six months after the death, in prison, of THOMAS WATSON, Bp. of Lincoln.

WILLIAM ALLEN, afterwards Cardinal and Archbishop-elect of Mechlin, was actually designated (as he had been in fact from 1568) "Prefect of the English Mission" by brief of Pope Gregory XIII (Sept. 18, 1581); died 1594.

In 1598 the Catholics were placed under Archpriests: 1. Rev. George Blackwell, from April 6, 1599, till his removal, Feb. 1, 1608 (he died in prison Jan. 12, 1613, *æt.* 68); 2. Rev. II. ARCHBISHOPS AND BISHOPS OF ENGLAND AND WALES

SINCE THE RESTORATION OF THE HIERARCHY (1850)

By Letters Apostolic (*Universalis Ecclesiæ*) of Pius IX, dated September 29, 1850, the English Hierarchy was restored, and the Metropolitan See fixed at Westminster. There were at first twelve Suffragan Sees—Beverley, Birmingham, Clifton, Hexham, Liverpool, Newport and Menevia, Northampton, Nottingham, Plymouth, Salford, Shrewsbury and Southwark. On May 23, 1861, the title of Hexham was changed to Hexham and Newcastle. On December 20, 1878, the diocese of Beverley was divided by Leo XIII into two, Leeds and Middlesbrough. On May 19, 1882, the

new diocese of Portsmouth was formed out of Southwark. By an Apostolic Brief (*De animarum salute*) of March 4, 1895, the Principality of Wales (except Glamorganshire) was made a separate Vicariate, with a Bishop as Vicar Apostolic. The Vicariate, which had remained attached to the Province of Westminster, was changed on May 12, 1898, to the diocese of Menevia, and became a Suffragan See, the title of Newport and Menevia having been changed in 1896 to that of Newport only. Thus the Province of Westminster had at that time fifteen Suffragan Sees.

By Letters Apostolic (*Si qua est*) of October 28, 1911, Pius X divided the Province of Westminster into three new Provinces, viz. Westminster, Liverpool and Birmingham, reserving certain special privileges to the Archbishop of Westminster. The other dioceses were rearranged as follows:

With Westminster remained Northampton, Nottingham, Portsmouth and Southwark. To Birmingham were assigned the dioceses of Clifton, Newport, Plymouth, Shrewsbury and Menevia; the remaining sees of Hexham and Newcastle, Leeds, Middlesbrough and Salford were assigned to Liverpool.

By Letters Apostolic (*Cambria Celtica*) of Feb. 7, 1916, Benedict XV raised Newport to Archiepiscopal rank, under the title of Cardiff; and Menevia became a Suffragan See of this new Province.

On March 22, 1917, the county of Essex, which had formerly formed part of the Archdiocese of Westminster, was made by Benedict XV into a separate diocese, and by a Bull (*Universalis Ecclesie procuratio*) dated July 20, 1917, the Episcopal see was fixed at Brentwood, which accordingly became an additional Suffragan See of Westminster.

On Nov. 22, 1924, by Apostolic Constitution (*Universalis Ecclesie sollicitudo*) a new Diocese of Lancaster was formed of the Counties of Cumberland and Westmorland, taken from the Diocese of Hexham and Newcastle, and Lancashire, north of the river Ribble, taken from the Archdiocese of Liverpool, of which this new Diocese became an additional Suffragan See.

VICARS-APOSTOLIC IN SCOTLAND

PREVIOUS TO THE HIERARCHY (1878)

The last surviving prelate of the ancient Hierarchy was JAMES BETOUN, Abp. of Glasgow, who went into exile, July 19, 1560; and, though restored to the temporalities of his See by King James VI, Feb. 26, 1598, he never returned to his native land, but died at Paris, April 23, 1603, *æt.* 79, and was buried there.

For some time afterwards the authority of the English Archpriests extended over Scotland; and when the first Vicar-Apostolic of England was nominated, in 1623, Scotland still remained under English jurisdiction. But in the same year Pope Gregory XV directed the Vicar-Apostolic to cease from exercising jurisdiction in Scotland; and in 1629 Urban VIII granted faculties to *F. William Ogilvie*, as Prefect of the Mission. He died about 1631, after which Bp. Magennis, of Down and Connor, was placed over the Mission. In 1634 *Propaganda* decreed the restoration of the ancient bishopric of the Isles; which never was carried out. In Nov., 1635, *F. Cornelius Ward, O.S.F.*, arrived as Prefect; and, on his retirement from the Scottish Mission in 1640, he was succeeded by *F. Patrick Hogarty, O.S.F.*, who, after five years' imprisonment, was forced to return to Ireland, in August, 1648.

In 1653 the Scottish clergy were placed under Prefects-Apostolic by Pope Innocent X.

DECEASED CLERGY ASSOCIATION

FOR ENGLAND AND WALES

This Association is divided into two parts ; of which the Northern Division contains eight Dioceses, namely, the six constituting the province of Liverpool together with those of Menevia and Shrewsbury, and the Southern the remaining ten. In each Diocese there is a Registrar appointed to keep a list of the Members in his Diocese, and to send out notices of deaths. The names of the Registrars will be found under the respective Dioceses.

Bishops, whether Secular or Regular, and Secular Priests, become Members of the Association by inscribing their names, either personally or by proxy, upon the list kept by the Registrar of their Diocese. They thereby bind themselves for life to offer a Mass for every deceased Member belonging to the Division, Northern or Southern, to which they themselves belong.

Priests who are permanently transferred from one Division to another, are required to transfer their names to a list of that Division. Those who cease to belong to the jurisdiction of the Bishops in England and Wales lose the benefit of membership. But Military Chaplains retain their right of membership even if they die out of the Division to which they belong ; and Priests of the English Colleges abroad, and those who are attached to the Papal Court, may have the benefit of membership by having their names inscribed on the Register of their Diocese.

The Masses of the Association are "*privileged*."

According to a Papal Rescript of April 13, 1869, no priest can become a Member after three years from the day of his entrance into his Diocese. This restriction, withdrawn by a Rescript of July 5, 1885, was restored by a Rescript of August 15, 1886.

ECCLESIASTICAL TITLES AND MODES OF ADDRESS

CARDINALS. *His Eminence Cardinal* If he is also an Archbishop : *His Eminence the Cardinal Archbishop* of ; or *His Eminence Cardinal*, *Archbishop* of *My Lord Cardinal*, or *My Lord* ; *Your Eminence*.

ARCHBISHOPS. *His Grace the Archbishop* of ; or *The Most Reverend the Archbishop* of *My Lord Archbishop*, or *My Lord* ; *Your Grace*.

BISHOPS. *The Lord Bishop* of ; or *The Right Reverend the Bishop* of ; or *His Lordship the Bishop* of *My Lord Bishop*, or *My Lord* ; *Your Lordship*. In Ireland, Bishops are usually addressed as *The Most Reverend*.

An Archbishop or Bishop of a *Titular See* (see note, p. 18) may be addressed, 1. by his title alone, as other Archbishops and Bishops ; or 2. by his Christian name and surname, followed by the title of his See, or of any office, such as Vicar-Apostolic, that he holds, as *The Most Rev.* (or *The Right Rev.*) *A. B., Archbishop* (or *Bishop*, or *Vicar-Apostolic*) of ; or 3. by his surname only, preceded by *Archbishop* or *Bishop*, as *The Most Rev. Archbishop* (or *The Right Rev. Bishop*)

N.B.—The addition of *D.D.*, or the prefixing of *Doctor* or *Dr.*, to the names of Catholic Archbishops or Bishops, is not necessary, and is not in conformity with the best usage. When an Archbishop or Bishop is mentioned by his surname, it is better to say *Archbishop* (or *Bishop*) than to say *Dr.* ; for the latter title is common to Doctors of all kinds, and does not of itself indicate any sacred dignity or office.

Provosts, Canons.—1. *The Very Rev. Provost* (surname) ; 2. *The Very Rev. Canon* (surname) ; or (Christian name and surname) *The Very Rev. Canon A.B.*

Protonotaries Apostolic, Domestic Prelates, Vicars-General, Camerieri segreti and *Camerieri d'onore* (i.e., Privy Chamberlains and Honorary Chamberlains), of His Holiness the Pope, have the title of *Monsignore* ; and in Latin they are styled *Reverendissimi*. Vicars-General and, in England, Protonotaries and Domestic Prelates are addressed as *Right Rev.*, and *Camerieri* as *Very Rev.*

Monsignore, when followed by the surname, is usually written and pronounced *Monsignor*.

Mitred Abbots. *The Right Rev. Abbot* (surname), *Right Rev. Father*.

Provincials. *The Very Rev. Father* (surname) ; or *The Very Rev. Father Provincial.* *Very Rev. Father*.

Some others (heads of colleges, &c.) are, at least by courtesy, addressed as *Very Reverend* ; but no general rule can be given.

The title of *Father* is very commonly given to Secular Priests, as well as to Priests of Religious Orders and Congregations.

Dean used thus as a prefix is incorrect. There are no *Deans*, properly so called, in the Catholic Church in England.

Army Chaplains have the letters C.F. after their names. Thus the proper mode of address for a Chaplain is "*Rev....., C.F.*"

PRIESTS, SECULAR AND REGULAR, OF GREAT BRITAIN

1. Names not appearing in the diocesan parts of the Directory need for insertion in this List the sanction of Ecclesiastical or Religious Superiors; and a request for their insertion must be sent to the Editor each year.

2. Names of some Priests employed or residing abroad, but ecclesiastically connected with Great Britain, are included in this List.

3. The name of the diocese of Priests of Great Britain unattached, retired, invalided, or permanently living out of their own diocese is generally added in italics.

4. In those cases where a Postal District is given at the end of the address, it must be understood as referring to London unless otherwise stated.

5. *Mgr.* here denotes those who, as Domestic Prelates or Chamberlains of His Holiness, or as Vicars-General, have the title of *Monsignore*; an asterisk * denotes those who are addressed as *Right Reverend*.

St. Edmund's, the oldest Catholic College in England, is only twenty-six miles from London. The College has recently reintroduced the House-System, and three separate self-contained houses have been constructed—Challoner's, Talbot's and Douglass's. Douglass House will be used exclusively for those who wish to offer themselves for the priesthood. Challoner's and Talbot's, each with its own House-Master, are designed exclusively for those who are to aim afterwards at one of the professions or services, or the higher walks of commercial and industrial life. The boys in Challoner's and Talbot's enjoy a school life uniquely adapted to their needs as Catholic laymen. As members of Houses they are assured of a definite home-life, with individual care and interest.

At St. Hugh's, the preparatory school for St. Edmund's, boys are taken from the age of seven years. St. Hugh's is particularly designed to make easy the transition from home to public-school life while securing a thorough education.

USHAW COLLEGE,
DURHAM.

Founded at Douay, 1568. Removed to Crook Hall, 1794.
Settled at Ushaw, 1808.

Ushaw is the descendant of Cardinal Allen's Foundation. Its system of Education prepares boys for the Priesthood, the Law, Medicine, and the Army and Navy.

Greater attention is paid to the Modern side at the request of parents, and special tuition is given in advanced Mathematics and Science. All boys take a course of science.

The Staff consists of members of the Secular Clergy, many of them graduates of English and Continental Universities.

The Examinations of the London University are taken, Certificates in which secure exemption from Preliminary examinations of the Legal and Medical Professions.

The provision for games is ample, and covers 60 acres of football fields, cricket grounds, tennis courts, ball places, and racket courts.

A lake in the College grounds provides skating in winter.

Attached to the College is a covered swimming bath, 71 feet long by 30 feet wide. In addition, a well-equipped gymnasium is under the charge of a competent instructor, who pays special attention to remedial work and to the physical development of each boy. Each class is trained in gymnastic exercises.

The dormitories are furnished, heated and ventilated on the most modern system; hot-water pipes warm the College throughout.

The Junior House serves as a school for boys of ten and upwards, and the times of study, sleep, and play are arranged to suit the requirements of their age.

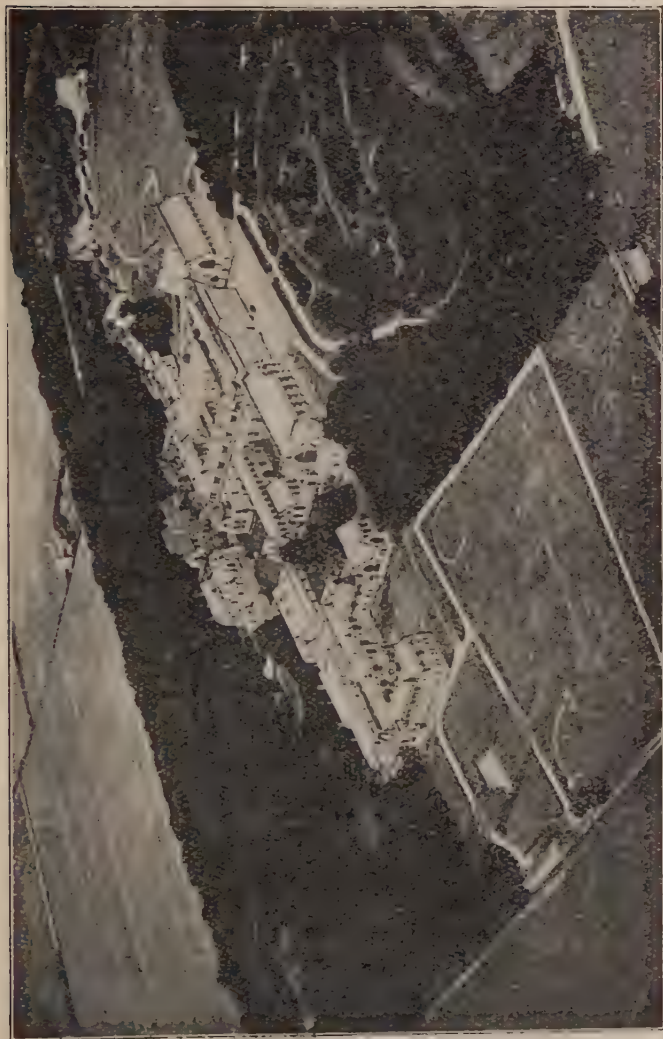

No boys are taken from other schools except with the most satisfactory references.

The charges for school stationery and books, for Medical Attendance and ordinary expenses in case of sickness, and for Gymnastic Instruction are included in the Pension. No entrance fee is required. Drawing and Music are extra.

The College stands on a hill 600 feet above the sea level; its climate is most bracing, and is well suited to delicate boys. The Junior House is entirely screened from the North and East winds, and its playground is so arranged as to secure a maximum of open-air life.

DIOCESE OF NORTHAMPTON.

ASTON-LE-WALLS HOUSE,

Byfield, Northants.

The School is conducted by a Priest assisted by a trained staff.

The object is to prepare effectively boys for whatever public examination their future career may require. One not infrequently hears that the ordinary public school examination, excellent as it is as far as it goes, teaches a boy very little that is going to help him to earn his living in business or commerce, yet nowadays there are more young people than ever earning their living in business houses.

There is some truth in this. The Head of the Firm to whom in due course the juvenile candidate presents himself in quest of employment can hardly be expected to offer a munificent salary in return for a detailed knowledge of the classics, nor can he pay very highly for the candidate's facility for grappling with Mathematical concepts; on the other hand, no boy can afford to do without a thorough Classical and Mathematical training.

In attempting to blend both forms of training many difficulties had to be overcome, and now every boy does a complete course in Commercial subjects as well as the usual Classical and Mathematical course.

Besides being a Centre for the Oxford School Certificate Examination the school is now a Centre for the London Chamber of Commerce and the Royal Society of Arts Examinations; the latter examination was taken as an experiment for the first time in July, and of the three candidates selected for the Full Commercial Certificate, two had passed the London Matriculation in June in Latin, Mathematics and English; both these boys obtained the full certificate of the Society, taking amongst other subjects, Book-keeping by Double Entry, Economic Geography, Social and Economic History, Commerce and Shorthand. The Junior entry was equally satisfactory.

This can be considered a satisfactory result, and what was an experiment is now the custom, and we look forward to securing our first Bachelor of Commerce degree.

There are facilities for all school sports, and the Athletic record is excellent.

THE WHITE FATHERS' TRAINING COLLEGE, BISHOP'S WALTHAM, HANTS.

THE work of this College is to promote missionary vocations among Catholic boys of the United Kingdom. The White Fathers receive boys of fourteen and upwards, who have reached a satisfactory standard in their previous school course, and who desire to dedicate their lives to God and to the salvation of souls in the Mission Fields of Africa.

The students follow the customary secondary school course and are prepared for the London Matriculation Examination. The School is situated in one of the prettiest rural districts of Hampshire, about eleven miles from Winchester and Southampton.—Candidates proceed from Bishop's Waltham to the School of Philosophy at Ormeignies, Hainaut, Belgium.—The

Noviciate and the Mother House are at Maison-Carrée, Algiers (North Africa). The Society also admits Lay-brothers, who help the priests by performing manual labour.—Application should be made to the Father Superior at Bishop's Waltham.

VOCATIONS ARE URGENTLY NEEDED.

The White Fathers ask with confidence for the assistance of zealous priests. The missionary vocation will undoubtedly be found in many of the finest boys of a Catholic school or parish. If they once understand the great need of the Catholic Church in Africa, if the missionary ideal is set before them, and if they know that there is a school where they will be received and trained as missionaries, their response will be generous.

The White Fathers also appeal to all Catholics on behalf of boys who wish to be missionaries, but who can afford to pay only a part of the expenses of their training. Will YOU help them and share in their apostolate? Please send a donation for the training of such students. *All* donations are gratefully received, and prayers are offered daily in all our houses for the intentions of benefactors.

The Society of Missionaries of Africa, called "The White Fathers," was founded at Algiers (North Africa) by Cardinal Lavigerie in 1868. Its aim is the conversion of Africa, and its members, who are secular priests, pledge themselves by a solemn oath to lifelong work for the African Missions. By the constitutions of the Society there are never less than three together in any Mission Post. The priests number 750, and the lay-brothers 350. The Mission Fields are: (North Africa) Kabylia, the Sahara, Tunisia; (West Africa) the Vicariates of Bamako, Wagadugu, the Prefectures of Bobo-Dioulasso and (in Gold Coast) of Navrongo; (British Central Africa) the Vicariates of Uganda, Bukoba, Mwansa, Tabora, Tanganyika, Nyassa, Banguelo; (Belgian Central Africa) the Vicariates of the Upper Congo, Ruanda, Urundi, and the Prefecture of Lake Albert.

For further information write to Father Superior, or read: "*The White Fathers and their Missions*," 336 pages, with illustrations and maps, published by Sands & Co., 8s. 6d.; or, "*The African Missions of the White Fathers*," an illustrated magazine published every two months, 2s. yearly; both obtainable from the Priory, Bishop's Waltham, Hants.

STAFF OF CERTIFICATED TEACHERS.

The Convent, with its Church and School buildings, is beautifully situated at a short distance from the sea, and is surrounded by extensive grounds.

Together with the advantages of a superior English education, the pupils have special opportunities for attaining proficiency in modern languages and accomplishments.

The late Lady Georgiana Fullerton, when staying with her brother, Lord Granville, at Walmer Castle, used frequently to visit the Church and Convent. Writing to the *Tablet*, she gave the following appreciation of the education given by the Sisters :

"Of the merits of St. Francis of Sales' Daughters, whether as nuns or teachers, little need be said. In his day they were called 'the holy Maries,' and the spirit bequeathed to them by their holy Founder and their first Mother, St. Jane Frances de Chantal, has not departed from amongst them. . . . If parents want for their children bracing sea-air . . . joined to all the other advantages of a good Convent School, they could not find them better supplied than at Roselands."

The air is most beneficial to delicate girls, and the number of the pupils being limited, individual care is given to each child.

For the past thirty-two years the School has been a private centre for the Oxford Local Examinations, for which, at the desire of the parents, pupils are very successfully prepared, as also for the Honours Certificate in the Higher Local Examination for women, the London Matriculation, the French Baccalauréat—and for the Examinations of the Royal Academy of Music.

LYONS AFRICAN MISSION SOCIETY.

This FOREIGN MISSION SOCIETY, founded at Lyons in 1856, is a Congregation of Secular Priests who solemnly engage themselves by oath to go forth and spread the Catholic Faith in pagan countries, most of which are Protectorates or Colonies in the British Empire. With the great advance and rapid development of the various units of the Empire comes a still greater demand for British Priests. To the inhabitants of the British Isles is entrusted the government and administration of this vast Commonwealth of Nations, and likewise on the Catholics of this country reposes the duty of furnishing missionaries and material help to the Catholic Church in British Colonies. The Holy See has entrusted the following Mission Fields to our care :

The Vicariates Apostolic of the Bight of BENIN (Nigeria), of WESTERN NIGERIA, GOLD COAST, DAHOMEY, TOGOLAND, LOWER VOLTA, NILE DELTA, IVORY COAST; and the Prefectures Apostolic of LIBERIA, NORTHERN NIGERIA, KOROGO, along with several missions among the negroes in America.

Recent statistics of the Society show a membership of 643, of whom 420 are missionary priests. In our Colleges in England, Ireland, France, Belgium, Holland, and Alsace-Lorraine, all established for the exclusive purpose of educating and training Foreign Missionary Priests, there are more than seven hundred students.

But more VOCATIONS and MATERIAL MEANS are ever needed to advance the work of God in heathen lands, to maintain and extend the colleges at home.

Our College at ORE PLACE, HASTINGS, is devoted to the education of those youths who desire to become African Missionaries. At the completion of the Classical Course, Students are sent to our Philosophical College, and finally they enter our Theological Seminary, Hastings.

Subscriptions and gifts of all kinds may be sent to the Father Rector, African Mission College, ORE PLACE, HASTINGS, to whom all inquiries should be addressed, and who will be pleased to communicate with those interested in our work and with promising youths who wish to become African Missionary Priests.

ST. JOSEPH'S SOCIETY FOR FOREIGN MISSIONS,

MILL HILL, LONDON, N.W.7.

(FOUNDED BY THE LATE CARDINAL VAUGHAN.)

This Society is a Congregation of Secular Priests bound by oath to spread the Gospel in heathen lands. No people in the world have a greater responsibility in this respect than the inhabitants of the British Isles, whose vast Empire comprises fully one-third of the heathen population of the world. The following Mission Fields are entrusted to the care of the Mill Hill Missionaries :

The Diocese of Nellore, the Vicariate-Apostolic of the Upper Nile (Uganda), the Prefectures-Apostolic of North Borneo, Sarawak, of Kashmir and Kafiristan, of Buea (British Cameroons), of Kavirondo, and of Basankusu (Belgian Congo) ; and Missions in New Zealand and the Philippines.

For the exclusive purpose of educating and training Foreign Missionary Priests, Colleges are established at Mill Hill for the study of Theology, at Roosendaal, Holland, for Philosophy, and at Freshfield, Liverpool, and Burn Hall, Durham, for Humanities, besides other places abroad.

The Priests of St. Joseph's Society number more than 560, and about 600 students are being educated for the Foreign Missionary Priesthood in these Colleges.

More vocations are required and more material help is needed to maintain and extend these colleges and to help the priests on the Foreign Missions. Subscriptions may be sent for any of these purposes and further information may be gained by application to the Father Rector at Mill Hill and at Freshfield. Lay Brothers are also needed to help in manual work in the Colleges and on the Missions.

Attached to the Society is a SISTERHOOD, St. Joseph's Missionary Sisters, also founded by Cardinal Vaughan, and following the Rule of the Third Order of St. Francis. The Sisters work in the Borneo and Cameroon Missions, and at home they have charge of the domestic arrangements of the Society's Colleges, and they have an important share in the work of the Rescue Society in the Diocese of Salford. The Novitiate is at St. Mary's Convent, Vaughan House, Freshfield.

Postulants, who are always needed, may apply to the MOTHER-GENERAL, St. Joseph's Convent, Patricroft, near Manchester.

THE ST. FRANCIS LEPER GUILD.

(Founded 1895.)

and the Hierarchy.)

Director : The Very Rev. Father Provincial, O.F.M.

President : The Rt. Hon. Adele Countess Cadogan.

Hon. Treasurer : The Rt. Hon. Lord Lovat, K.T.

A FEW FACTS ABOUT LEPELERS AND LEPROSY.

There are about 2,000,000 Lepers in the world. Nearly all of these Lepers are living in the utmost want and misery. Their misery and suffering cannot be compared to any we have amongst us in England.

Leprosy is a disease that not only causes great physical suffering, it is also so disfiguring and so loathsome that the Leper is in all countries shunned and feared by his fellow-creatures. This disease, so far, is well-nigh incurable, although great scientific efforts are constantly being made, and every possible remedy is used to this end.

The chief aim of the ST. FRANCIS LEPER GUILD is to help Missionaries in any part of the world who are engaged in ameliorating the condition of the Poor Lepers.

The Guild has been able to give considerable assistance to Leper Colonies in British Burma, India, China, Japan, and Abyssinia. Touching appeals for more help are frequently being received from these countries. The Leper Colonies not only benefit the Lepers themselves, they benefit the whole world by keeping the Lepers separate from the healthy, and so preventing the increase of the disease, which is gradually creeping westward again.

HOW TO HELP THE GUILD.

1. By becoming a Member, with an annual subscription of not less than 1/-.
2. By donations.
3. By paying for the yearly upkeep of a Nursing Sister (£30), or of a leper (£15).
4. By means of Leper Penny Cards, Leper Boxes.
5. By an annual or an occasional Church Collection.
6. By an annual Leper Penny Collection made in the schools on "Father Damien's Day" (May 11th).
7. By remembering the St. Francis Leper Guild in your Will.

Donations and Subscriptions will be gratefully received. The same will be acknowledged by the Hon. Sec. : THE REV. MOTHER, 27 Claverton Street, London, S.W.1.

Cheques and Postal Orders to be made payable to "THE ST. FRANCIS LEPER GUILD" and crossed "Barclays Bank Ltd."

"I gladly bless and commend the St. Francis Leper Guild, and I trust that it will find a generous response in England.

FRANCIS CARDINAL BOURNE,
Abp. of Westminster."

THE CATHOLIC EDUCATION COUNCIL FOR ENGLAND AND WALES.

Chairman : F. N. Blundell, Esq.

Trustees : The Earl of Denbigh, K.C.V.O., Viscount FitzAlan of Derwent, K.G., P.C., G.C.V.O., D.S.O., Viscount Southwell, J.P., and C. W. Clifford, Esq., J.P.

Bankers : The Midland Bank, 69 Pall Mall, S.W.1.

Secretary and Treasurer : Sir John Gilbert, K.B.E., K.C.S.G., 15 George Street, Mansion House, London, E.C.4.

The Catholic Education Council for England and Wales, established in 1905 by the Bishops of England and Wales, represents the Bishops and the Catholic Body in matters which concern Catholic Education. The Council is a modification and continuation, rendered necessary by the Education Act of 1902, of the old Catholic School Committee, which was founded in 1847 ; and it has also taken over the work of the Secondary Education Council, founded in 1904, which includes the question of Pupil Teacher Centres and Secondary Schools. The Council is recognized by the Government as the successor of the Catholic School Committee for the purpose of representing difficulties which arise between the Managers of Schools and the Board of Education.

The Council has for many years made special grants to schools not in receipt of aid from public funds, struggling to save Catholic children from non-Catholic Schools, and towards travelling expenses of Catholic children in scattered districts to nearest Catholic schools.

Their Lordships the Bishops have expressed their conviction that the needs of such claims should be a first charge upon the resources of the Council. The Council expended nearly £2000 in such grants in 1929.

Another function of the Council is to secure, as far as possible, the efficiency of Catholic Public Elementary Schools by educating a due supply of Trained Teachers, which it does through the means of Training Colleges.

The Training College for men, St. Mary's, Strawberry Hill, Twickenham, is the property of the Council, and the Council is responsible to the Hierarchy and Board of Education, not only for its efficiency and well-being, but also for that part of its expenses not covered by the public grant for Education.

Grants are made to the Women's Training Colleges upon conditions laid down by the Council in 1918.

Upon the supply of teachers depend the prosperity of Catholic schools, the efficiency of their teaching, and their maintenance by public funds. Any falling off in the supply of efficient teachers would be disastrous for the schools.

The Council, at the request of the Bishops, assists them in sundry payments towards the expenses of Ecclesiastical Inspection. Many applications for grants are received from various quarters which cannot be acceded to owing to lack of funds. The Education Act of 1918 largely increased the obligations of those responsible for the education of Catholic children.

The Council also acts as a bureau of information and advice for governors and managers of Catholic schools. It frequently approaches the Board of Education on their behalf.

Many of the objects above-mentioned lie outside the ordinary provision of a diocese. They relate to the country as a whole. Those who support only local schools fulfil, in consequence, but half their obligation.

Form of Bequest to the Catholic Education Council.

I give to the Catholic Education Council for England and Wales the sum of £ free of legacy duty, to be applied under the direction, and to promote the objects, of the said Council as if the same formed part of the funds arising from voluntary subscriptions, with liberty to apply such legacy as income in aid of the said voluntary subscriptions. And I declare that the receipt of the Chairman of the said Council for the time being shall be a good discharge for the said legacy.

THE CATHOLIC ASSOCIATION.

President : THE RIGHT HON. THE EARL OF DENBIGH, K.C.V.O.

The objects of the Association are : (1) To promote unity and good fellowship amongst Catholics by organizing Lectures, Concerts, Dances, Excursions, and other gatherings of a social character, and (2) to assist, wherever possible, in the work of Catholic organization, and in the protection and advancement of Catholic interests.

Pilgrimages and Tours are arranged to places of Catholic interest such as Bruges, Lourdes, Rome, and the Holy Land. Continental tickets for individual travel can be supplied, and all kinds of Catholic information may be obtained at the Offices of the Association, where the Catholic papers and books of reference are to be seen.

The minimum subscription to the Association is 2/6 per annum (life membership, two guineas). All communications, subscriptions, etc., should be addressed to B. FAUPEL, Honorary Secretary, Catholic Association, 6 and 7 Buckingham Street, Strand, London, W.C.2.

The organization exists for the maintenance and education of Catholic Boys of the professional and similar classes left stranded in life by the death of parents or other disaster. The object is to keep such boys from "going under," and to secure for them an education and chance in life as nearly as possible equal to that which they would have enjoyed but for their misfortune.

Since the War distress of this kind is more common and more desperate than it was previously, and an increase of funds is urgently necessary.

THE SISTERS OF CHARITY OF ST. VINCENT OF PAUL,

Carlisle Place, Victoria Street, Westminster. (Near Victoria Station.)

Under the patronage of H.E. CARDINAL BOURNE.

The House of Charity contains the following works : an Orphanage for girls over two years of age, workroom, and an elementary day school for girls ; classes of preparation for first Communion, and catechetical instruction on Sundays for girls, also on alternate Sundays ; a night school for men and boys ; and the daily visiting and relieving of the poor and sick of the two parishes of Westminster, one of the most destitute parts of London.

As these works are supported by voluntary offerings, and the greater number of the children are entirely left on the Sisters' hands, they are compelled to appeal for help, that they may carry on their work. Yearly subscriptions, however small their amount, would be gladly accepted, and can be remitted to the Sister Superioress, Carlisle Place, Victoria Street, Westminster.

A Soup Kitchen has been opened for the benefit of the poor of the two parishes, for which subscriptions in kind or money are most earnestly requested. A Home has been established for a limited number of business girls and servants out of employment.

In addition to the Elementary Day School, a Day Continuation School for Girls from fourteen to eighteen has been established.

THE LITTLE SISTERS OF THE POOR.

The Little Sisters of the Poor provide homes for the aged poor of both sexes; feed them, clothe them, and minister to all their wants. They support the old people under their care by whatever public charity affords them, collecting alms daily from house to house in money, food, old clothing, or anything that may be offered them.

This Home is conducted gratuitously by Dominican Nuns whose special aim is the rehabilitation of the girls and women of all denominations entrusted to their care. After a period of good conduct, an outfit is provided for them, and they are placed in a suitable situation where they can make a fresh start and become self-supporting and respected members of society.

The Sisters have also a Seaside Convalescent Home for delicate and invalid children, who are tended with motherly care and receive every attention that medical skill can devise.

**"SAVE THE DESTITUTE MOTHER AND THE CHILD"
HOUSE OF PROVIDENCE,**

*"Kelton," Woodlands Road,
Aigburth, Liverpool.*

UNDER THE CARE OF SISTERS OF
THE SACRED
HEARTS OF JESUS AND MARY.

The Institution was founded in 1897 by the late Rt. Rev. Mgr. Nugent, its chief object being to provide a safe refuge for destitute unwedded mothers and their infants, and thereby to prevent the prevalent destruction of child life. Infanticide under some of its worst forms had become so widespread that an asylum of this character had long been an urgent necessity. How many unfortunate unmarried mothers have fallen

through circumstances rather than choice or wilfulness! Ruined and then cruelly deserted, they seek to hide their shame by resorting to acts from which they would otherwise naturally shrink in horror.

Donations and Subscriptions to be sent to the Rev. Mother, House of Providence, Aigburth, Liverpool. Prayers said daily for all kind Benefactors. Parcels of new or old clothing will be most gratefully received by the REV. MOTHER, House of Providence, "Kelton," Woodlands Road, Aigburth, Liverpool.

**SHREWSBURY DIOCESAN CHILDREN'S
RESCUE SOCIETY.**

This Society was established in 1889 to protect and rescue the children of Catholic parents from the danger of losing their faith. It has been the means of rescuing many little ones from the influence of drunken and worthless parents and of placing them in good situations, or finding them homes in Canada. It also directs its efforts to securing the removal to Catholic Poor Law Certified Schools of our workhouse children.

Funds are urgently needed to carry on the good work, and any amount will be gratefully acknowledged by the Hon. Treasurer, Mr. William Hodkinson, 28 Grange Mount, Birkenhead, and any information given by the Hon. Secretary, Mr. E. R. Hoskinson, Solicitor, 22 Water Street, Liverpool, and "Hilgrove," King's Mount, Birkenhead.

THE CATHOLIC PRISONERS' AID SOCIETY.

President :

HIS EMINENCE CARDINAL BOURNE.

General Secretary :

HENRY DAVISON.

Hon. Treasurer :

R. P. GLADSTONE.

Office :

4 St. George's Square, London, S.W. 1.

The Society's main activities may be grouped as follows:—

1. *It arranges for Missions in Prisons, and for Masses for the welfare of Prisoners.*

Although the visible work of the Society is largely material, its aim is essentially spiritual. Men come under its care at what is often a critical stage, and there can be no question but that it plays its part in the battle for souls.

2. *It finds Employment for Ex-Prisoners.*

This is a costly and most arduous task, but in a surprising number of cases it is achieved. When concerned with men, who can find work for themselves, the Society supplies them with any necessary equipment, and often keeps them over a considerable period.

3. *It supplies the Catholic Women Probation Officers to a number of Police Courts.*

Under the Probation System first offenders, and others, instead of being convicted, are handed over to a Probation Officer, who acts in every possible way as a guide, a helper, and a friend. For women who have, perhaps, taken one false step, Probation is often the only hope, but even Probation can fail, if the influence brought to bear is not religious.

10,000 EX-PRISONERS ASSISTED.

CATHOLIC SEAMEN'S HOME & INSTITUTE; FOUNDED 1893.

61 *Lambert Road, Victoria Docks, London, E. 16.*

Under the Management of the Society of St. Vincent de Paul.

Patron : H.E. the Cardinal Archbishop of Westminster.

Vice-Patrons : The Rt. Revs. the Lord Bishops of Southwark, Portsmouth and Brentwood; the Rt. Hon. the Earl of Denbigh; Sir John Knill, Bt., K.C.S.G. Admiral of the Fleet Earl Beatty, G.C.B., O.M., etc., Admiral Sir Edward Charlton, K.C.B., K.C.M.G., Count de Torre-Diaz.

President : George Gerard, Esq.

Hon. Chaplain : The Rev. C. Carless.

Hon. Sec. : W. H. Fairfax-Cholmeley, c/o S.V.P., 66 Victoria Street, S.W. 1.

The Home supplies sleeping accommodation for 32 men, dining-rooms and a large recreation-room containing a billiard table and a library. The very reasonable prices charged for beds and meals involve the Society in an annual liability of about £400 which has to be met by donations and subscriptions.

Owing to the demand for sleeping accommodation, far in excess of the present 32 beds, the Society appeals for funds to allow of the building of additional dormitories to provide a further 60 beds; this building, together with the new kitchens and the plant for central heating, which have been installed, and additional land bought, will cost £5,000.

Donations will be gratefully received by the Hon. Treasurer, Society of St. Vincent de Paul, 66, Victoria Street, London, S.W. 1.

ST. MARY'S HOME FOR GIRLS AND HOSTEL FOR TEACHERS AND BUSINESS GIRLS

(CONVENT OF MARIE AUXILIATRICE),

26 & 28 Bow Road, London, E.3.

"We gladly renew the approbation granted by our predecessor and earnestly beg God's blessing on this good work."

May 31st, 1908.

✠ FRANCIS, Abp. of Westminster.

Girls are received at the age of 14 and are trained for Needlework, Laundry, and Domestic work. Mothers' Meetings are held, also a club for young men, and for girls. The Home opens its doors daily to school children so as to keep them after school hours away from the dangers of the streets, and provides them with more space and air than they can find in their overcrowded houses. This work brings the Sisters into contact with the parents, and has both religiously and socially very good results. In an adjoining building the Sisters have opened a hostel for teachers and business girls.

There is great need of funds to carry on these various works, and so come to the assistance of God's own little ones; therefore donations, subscriptions, and gifts of clothing, etc., will be thankfully received by the REV. MOTHER.

BESFORD COURT CATHOLIC MENTAL WELFARE HOSPITAL FOR CHILDREN

Certified by the Board of Control, Home Office, and the
Board of Education.

THE GREAT MEMORIAL OF THE LITTLE FLOWER (St. Teresa of the Child Jesus).

From a photograph of the boys at work.

“Respexit humilitatem nostram et laborem.”

A NOBLE CHARITY.

The Hospital-Home provides on most advanced lines a complete course of medical and educational treatment for high-grade mentally defective boys. By means of the trades they are taught the boys can re-enter the world as self-supporting craftsmen and reliable citizens. Without this training they would be almost inevitably doomed to a State institution for the whole of their lives. This great work of Catholic charity needs the help of all who have at heart a love of the afflicted and of the poor. Under the patronage of Saint Teresa of the Child Jesus the Hospital has grown rapidly. There are now more than two hundred cases from all parts of the British Isles under treatment, and many more are seeking admission. It is impossible to maintain without generous alms those who have already been accepted, and without continued and increased support it will be impossible to admit those unfortunate children who now seek admittance. Your generous alms are asked in order that the mentally afflicted children at Besford will be enabled to have a real start in life and be saved physically, mentally and morally.

Donations are Urgently Required for the Extension Fund.

All applications for literature concerning The Great Memorial of Saint Teresa and its work, and information regarding the Solemn Novenas of Besford, should be addressed to The Right Rev. Monsignor NEWSOME, Besford Court, Worcestershire.

THE SECULAR CLERGY COMMON FUND.

FOUNDED IN 1701.

Chief Administrator :

VERY REV. CANON SHEEN.

Administrators :

Very Rev. Canon NORRIS, Very Rev. Mgr. NORTHCOTE, Very Rev. Canon O'FARRELL, Very Rev. Canon TYNAN, D.D., Ph.D.

This Fund, whose history carries us back into Penal Times, was established to support Aged and Infirm Priests of the old London District, and is still the main support of such Priests of the four dioceses of Westminster, Southwark, Portsmouth, and Brentwood—the old London District—as are members of the Fund.

The continual and, at times, rapid growth of the Secular Clergy working in these four dioceses is, year by year, increasing the demands made upon the resources of the Fund. The Administrators, therefore, feel confident that their appeal to the Catholic laity of the four dioceses on behalf of the sick and aged members of the Fund, who have spent themselves in their service, will meet with a generous response.

2400 Masses are said every year by members of the Fund for all Benefactors, living or dead.

Donations should be sent to the VERY REV. CANON SHEEN, 66 Crooms Hill, Greenwich, London, S.E.10.

The following form of bequest is recommended :

“To the Very Rev. Canon JOHN SHEEN, or other the Chief Administrator for the time being of the Secular Clergy Common Fund for the Dioceses of Westminster, Southwark, Portsmouth, and Brentwood, the sum of £ (duty free) for the general purposes of the said Fund, and I declare that the receipt of the Chief Administrator shall be a sufficient discharge to my Executor.”

SHREWSBURY SECULAR CLERGY FUND.

FOR THE SUPPORT OF THE INFIRM AND SUPERANNUATED CLERGY
OF THE DIOCESE OF SHREWSBURY.

A donation of £10 entitles a Benefactor to 20 special Masses; a donation of £5 to 10 special Masses, said either immediately or on death of donor, but not exceeding 200 Masses for any one legacy or donation.

Smaller donations (not less than £1) entitle the Benefactor to a share in the monthly Masses for ever.

About 80 Masses are offered every month for all Benefactors, living and dead.

Particulars from the Secretary, REV. J. COLEMAN, D.D., St. Peter's, Stalybridge, Cheshire.

Form of Legacy to the Fund.

I bequeath to the Rev. Henry Edward Hazlehurst, D.D., of St. Joseph's, Birkenhead, Treasurer of the Society called the "Shrewsbury Secular Clergy Fund," or to the Treasurer of the same for the time being, the sum of £ , free of Legacy duty, for the benefit of that Fund; and I earnestly hope that the Holy Sacrifice of the Mass will be offered for the repose of my soul; but I do declare that this expression of my hope shall not be construed as a condition or trust attached to the same Legacy and that the compliance with this my hope shall not be deemed necessary to give effect to the same Legacy.

THE YORKSHIRE BRETHREN INFIRM SECULAR CLERGY FUND.

Pres. : Rt. Rev. Mgr. Provost J. F. Russell, P.P., V.F., Keighley.

Treas. : Rev. L. V. McGuire, P.P., St. Patrick's, Bradford.

Sec. : Rev. J. Curran, P.P., St. Mary's, Horsforth, Leeds.

The Dioceses of Leeds and Middlesbrough have one common Fund (The Yorks Brethren Fund) for the support of the Secular Clergy, who are Members of the Fund, and who, through infirmity, age, or sickness, are incapable of performing parochial duties.

Any person may become a Benefactor by a donation of £10, for which 40 Masses will be said, and he will participate FOR EVER in the Monthly Masses of the members.

Those made Benefactors after their death will have 20 special Masses for each £10, and in like proportion for smaller sums; but they will have their share for ever in the 200 monthly Masses said by the Members.

Smaller donations may also be made, for which a proportionate number of Masses will be said.

Every Priest who is a Member of the Fund offers the Holy Sacrifice once in each month for all Benefactors, living and dead. Thus 2400 MASSES are said annually.

Benefactions and donations may be sent to any of the above who will gladly give any further information.

THE SECULAR CLERGY FUND FOR THE DIOCESE OF HEXHAM AND NEWCASTLE

CALLED
THE NORTHERN BRETHREN'S FUND
ESTABLISHED 300 YEARS.

SUPERIORS :

Very Rev. John Canon O'Donoghue, Oban House, Consett, Co. Durham.

Rev. Hugh Cogan, D.D., The Presbytery, South Gosforth, Newcastle-on-Tyne.

Rev. John Milroy, St. Joseph's, Benwell, Newcastle-on-Tyne.

Treasurer and Secretary :

Rev. Francis Wilkinson, St. Antony of Padua, Walker-on-Tyne.

This Fund has for its objects the relief and maintenance of Secular Priests belonging to the Diocese of Hexham and Newcastle, who, from sickness, age, or infirmity, have become incapable of continuing their Missionary labours.

It is supported partly by the subscriptions of its Members, the Clergy, and partly by the benefactions of the charitable.

Each Member says one Mass monthly for its living and deceased Benefactors, so that upwards of 2000 Masses are offered up each year for this intention.

Persons may become Benefactors by a donation or bequest free of legacy duty of £10 or more ; thus helping to make provision for those " who have borne the burden of the day and the heats " in their service, and at the same time availing themselves of the benefits of the Holy Sacrifice of the Altar.

In addition to the 2000 Masses said each year, 20 Masses will be offered specially for the donor on his or her decease. Benefactions may also be made on behalf of the deceased.

Pope Leo XIII, by a Rescript dated 8th June, 1890, granted :—

- 1.—To the Members and Benefactors, for ever, a Plenary Indulgence at the hour of death, provided they invoke, at least in their heart, the Holy Name of Jesus.
- 2.—On behalf of all deceased Members and Benefactors for ever, the favour of the " Privileged Altar " for every Mass offered up for them according to the Rules of the Fund.

The Administrators earnestly appeal to the faithful on behalf of this Charity, which preserves their devoted Clergy from want in sickness and old age, after they have spent their health in their apostolic labours.

The Dioceses of Liverpool, Salford, and Lancaster have one Common Fund for the support of the Secular Clergy who are Members of the Fund, and who through age or infirmity are incapable of performing missionary duties. It is supported by the subscriptions of its Members, and partly by the benefactions of the charitable.

A Benefactor is entitled to forty special Masses for each £10 he contributes or bequeaths (free of legacy duty) to the Fund. He can, at his option, have these Masses all at one time, either before or after death ; or half at one time and half at another.

Deceased persons may be made Benefactors and will receive full Spiritual benefits.

Every Member of the Fund offers the Holy Sacrifice once each month for all Benefactors living or dead. The number of Members is now about five hundred and sixty, so that Benefactors annually have a share in over *six thousand* Masses.

Donors of less than £10 share in the monthly Masses, but are not entitled to any special Masses.

Further particulars may be had on application to any of the above-named Officers of the Fund, or to any of the Lancashire Secular Clergy.

PLYMOUTH SECULAR CLERGY FUND
AND
ANNUAL SUBSCRIPTION FUND.

THIS Fund was established in 1861 for the relief of those Priests of the Diocese of Plymouth who, from age or infirmity, become incapable of fulfilling their duties.

It is supported partly by annual subscriptions from the Clergy themselves, and partly by donations from charitable persons.

Benefactors of £10 or more are by the rules entitled, for each such donation, to one Mass offered by each member of the Society, either at once, or, if preferred, immediately after death; four Masses are said every year for all benefactors, living and dead, by each member.

Recently a New Fund has been opened to supplement the ordinary benefits of the Fund. This is known as the Annual Subscription Fund. To this the Clergy pay an additional annual subscription. These subscriptions are not invested, but are available for emergencies to assist our Clergy in time of need.

Secretary : Rev. B. L. Finnegan, Priest's House, Princetown, Dartmoor.

Treasurer : Very Rev. E. Canon Burke, Presbytery, Devonport, to whom payments should be made.

INFIRM SECULAR CLERGY SOCIETY OF THE ARCHDIOCESE OF CARDIFF.

This Society has for its object the relief of Secular Priests belonging to the diocese, who from age or infirmity have become incapable of continuing their labours. There are comparatively few in this archdiocese who are in a position to contribute largely to the Fund; an appeal is therefore made to Catholics generally, in the hope that they will give a generous support to this pressing charity. Two Masses are offered by each member annually for all benefactors, besides one specially, on their decease, for those who have given £10 or more.

The Committee consists of the following: Very Rev. P. Canon Kelly, Catholic Church, Aberavon; Very Rev. J. Canon Fitzpatrick, Ebbw Vale; Very Rev. D. J. Canon Hannon, St. David's Cathedral, Cardiff; Very Rev. D. J. Canon Quigley, Barry Dock; Very Rev. T. Canon Vearncombe, Tredegar; to whom, or to the Secretary, Rev. W. Coonan, Chepstow, donations and bequests can be made.

MENEVIA SECULAR CLERGY FUND.

This Fund has been established for the relief of Priests of the Menevia Diocese, who, through sickness or old age, have become incapable of performing Missionary duties. Owing to the poverty of the Fund, only a very small allowance can be made to any Priest who may fall sick, and therefore donations are earnestly solicited. All who contribute £1 or more will, for ever, have a share in the Monthly Masses which all the Members are bound to say for benefactors, living and deceased. Those who contribute at least £5 will, in addition to the Monthly Masses in perpetuity, have a corresponding number of Special Masses said for their Intention.

Donations and bequests should be made to the Treasurer, Rev. T. Eadsforth, Catholic Church, Connah's Quay, near Chester. Further particulars can be obtained from the President, Rt. Rev. Mgr. G. Nightingale, St. Mary's, Wrexham; or the Secretary, Rev. A. O. Pozzi, St. Anthony's, Saltney, near Chester.

DEAFNESS DEFEATED

You are made to feel and be inconvenienced by your disability as much in your own surroundings (however kindly are your near and dear ones) as when amongst friends, acquaintances, and strangers. Shopping and sports are impossible, as are the joys of music, the delight of human voices, and the so ace of churchgoing; but the latest discovery removes that bar. Described as the "magic button"—small, light, inconspicuous, natural—"Ardente" is a joy for ever, carrying its Originator's written guarantee and Service warranty.

THE NEW "ARDEnte" BUTTON

is magical in its effect—one minute enveloped in quietude, and the next the joys of hearing are yours, and with the consciousness of hearing regained, you lose that feeling of strain, head noises are overcome, and you lead a more normal life again. No matter whether yours is middle-ear (catarrh), nerve (head noises), or any other form of deafness, whether it is slight or acute, and if you are young, middle-aged, or old—the whole world of sound awaits you.

THE NATIONAL ADOPTION SOCIETY

West of England Branch: 8 BENNETT STREET, BATH.

The Homeless Child for the Childless Home.

OVER 1800 BABIES HAVE BEEN ADOPTED INTO HAPPY HOMES.

Offers to adopt a child for love are welcomed to help the many babies brought to us.

Contributions to support this work are gratefully received.

The object of the Society is to arrange for a permanent and legal adoption of suitable healthy babies and young children who otherwise have little or no chance of home life. Care is taken to place the child in a home of suitable status. The children may be orphans, semi-orphans or first illegitimate children in deserving circumstances. Enquiries are made as to the parentage and circumstances, and each case is judged by the Committee on its own merits, only healthy, normal children being accepted for adoption. Any child adopted must be fully surrendered by the parent or guardian, and the adopting family must be prepared, after a probationary visit, permanently to undertake parental responsibilities.

QUEEN MARY HEART PENDANT

ADORNED the BEAUTIFUL Mary QUEEN of SCOTS. Modernised by art and the lapidary's skill, portrayed by gems aglow with radiancy and lustre, it is to-day Scotland's most precious and charming jewel.

THE deep violet hues of the renowned amethyst displays an exquisitely formed heart, the golden crown is beautifully ornated with Oriental pearls, while the tiny circlet is enhanced by the ruby and emerald.

WATER FILTER

We have installed a complete Water Filtration and Sterilisation Plant at Besford Court Colony, which is working very satisfactorily.

Cesspools and Septic Tanks alone produce a septic liquid poisonous in the same sense as a septic wound. Our bacterial system produces an effluent comparable to rain-water in appearance, free from smell and incapable of causing a nuisance.

We have installed Sewage Purification Installations at:

STARCHES

OF A

CONSISTENT STANDARD

There is a double satisfaction in using starches of the "DOUBLE GLOSS" or "TRIPLE" brand. You know that you are using the best and most reliable of their class. Again, that their high standard never varies. The same yesterday, the same to-day, the same to-morrow; with an experience of over half a century behind each packet.

Free from any foreign matter they consequently go further than ordinary weighted starches.

For all boiled starch work use "TRIPLE STARCH." It gives a sheen-like finish with correct "body" and flexibility.

"DOUBLE GLOSS STARCH" for shirt and collar dressing is ideal.

Crown 8vo, cloth, 5s. net.

A LIMITED number of pages of advertisements are added to the text; and the Advertiser will appreciate the value of a volume kept at hand throughout the year and alive with personal interest from first to last.

An attempt is made to render the list of Colleges and Schools and other Institutions the most useful for reference by Catholic Parents and Guardians at home and abroad.

“‘The Catholic Who's Who’ is the most practical and important record in modern England. It is the record of how much of modern England remains or returns to that without which her civilization will perish.”—Mr. G. K. CHESTERTON.

It is regrettable that owing to the illness of our Principal (Mr. R. M. Mills) we have had to discontinue business after having faithfully endeavoured to serve our clients for the past 40 years.

We have made arrangements with **Messrs. R. L. Boulton & Sons, Bath Road, Cheltenham**, to take over the stock and goodwill, and should be glad if old clients would kindly make any future enquiries from them.

The firm of Boulton & Sons, Bath Road, Cheltenham, has been established for a century, and is noted for the excellence of their work in Wood, Marble, Alabaster or Stone, and we are confident that any work entrusted to them will receive careful and reverent attention.

May we take this opportunity of thanking everyone for all kindnesses and past favours? We beg to remain,

Yours faithfully,

PERSONAL NOTE.

IN introducing our revised Price List for 1930 we wish very sincerely to thank our numerous patrons for their favours during the past year, and look forward with confident anticipation to a continuance of their always esteemed patronage.

In 1925, on account of the continued rise in the price of raw material, we were unfortunately compelled to raise the price of the BEESWAX CANDLES, but we assured the Clergy at the time that as soon as opportunity occurred, they would be reduced.

Ever since then we have had this matter in mind, and are glad to inform you that we can now keep our promise and reduce the prices of the 75 per cent., 65 per cent. and 25 per cent. Beeswax Candles.

We trust that this step will be appreciated by the Clergy and others, and we are looking forward to their hearty support in response.

All transactions entrusted to our care, whether large or small, receive personal attention, and the Clergy may rely upon everything being done to give entire satisfaction; in the event, however, of anything being supplied that does not meet with entire approval, we shall esteem it a favour if you will kindly inform us, so that it can, if possible, be remedied.

An order by post will receive the same consideration as if you personally called and made your own selection.

Yours faithfully,

per pro CHARLES FARRIS LTD,

H. J. Farris

SUITABLE ONLY WITH FARRIS'S BEES WAX CANDLES.

SUCCESS GUARANTEED.

Candles, however, have to be made with a special wick.

The above simple registered device is claimed to be the only one which effectively prevents the guttering of bees wax altar candles in a draught. It works automatically, so that when once placed upon a candle it does not need any further attention ; it has been subjected to the severest tests, both indoors and out, and is hardly distinguishable from the candle itself, owing to its perfect candle colour.

Farris's Sanctuary Lamp Oil.

"OLIVINE"

Registered No. 453508.

**The Guaranteed Pure Vegetable Oil.
Treble Refined, of Exceptional Quality.**

8/3 per Gallon.

Special attention is called to FARRIS'S OLIVINE "FOR BURNING IN SANCTUARY LAMPS." This Oil is made entirely from Vegetable Seed, carefully selected, and treble refined, and is guaranteed to burn the full time with either floating wick or 5 and 8 day long wicks.

SPECIAL NOTICE TO SACRISTANS AND OTHERS

A MISTAKEN NOTION is very prevalent that when the light in the Sanctuary Lamp does not burn well, the fault lies with the wick and not the oil. The exact contrary is the case; the wick merely acting as a means of conveying the oil to the flame. If, through carelessness, any impurity in the oil is carried to the wick, the wick practically becomes a filter, ultimately causing the light to go out.

Always keep the "Olivine" in the can in which it is sent. On no account transfer it to a store can.

The above Oil is sent out in 1, 2, 3 and 5 gallon cans, which for convenience of the Clergy are not charged, but expected to be returned when empty.

By special arrangement with Railway Companies empties can now be returned Carriage Forward.

Farris's Oil Trimming Tray.

(THE SACRISTAN'S TIDY.)

Superior Black Enamel Finish.

The size of the Oil Trimming Tray is 14 ins. by 10 ins., and the illustration shows an improved Quart Oil Filler lined with pure tin, for protecting the Oil against coming in contact with rust, which is so detrimental to the Oil, also a compartment for holding the Sanctuary Lamp Glass, and compartments for receiving 5, 8-day, and Floating Wicks, Lighting Tapers and Matches.

In addition to what appears in the illustration there is also a removable square Metal Tray for receiving the used wicks, matches, &c.

ARCHBISHOP'S HOUSE,

HILL STREET,

WELLINGTON, N.Z.

Mr. CHARLES FARRIS,

71 Bishopsgate, E.C.

July 25th, 1913.

Dear Sir,

I am enclosing herewith a draft on the Bank of New South Wales, Threadneedle Street, London, for the sum of forty-nine pounds ten shillings, in payment of my account with you.

All the parishes of the archdiocese (Wellington) have now been supplied, and the Rectors are greatly pleased with the new Oil Stocks. I have also placed one set in the adjoining diocese of Christchurch, so that you may possibly get orders from there. I think it would bring you excellent business if you sent special circulars (with illustration as in your catalogue) to the Bishops and Vicars Apostolic at all the Sees in the Southern Hemisphere.

I am, yours faithfully,
JAS. P. M. HICKSON.

THE TREASURY OF THE FAITH SERIES

A CONCISE STATEMENT AND EXPLANATION
OF CATHOLIC DOCTRINE IN 36 VOLUMES

ARRANGED AND EDITED BY THE

REV. GEORGE D. SMITH, Ph.D., D.D.,

PROFESSOR OF DOGMATIC THEOLOGY AT ST EDMUND'S COLLEGE, OLD HALL, WARE

Each Volume (containing 96 pages), in wrapper, 1s.; cloth bound, 2s.

IT has long been felt that a useful purpose would be served by presenting in a convenient and accessible form to the ordinary reading public an exposition of the whole body of Catholic teaching; and this not with a view to controversy, but in order to provide Catholics with that full and complete knowledge of the truths of their faith that they ought—and indeed desire—to possess.

To supply this need Burns Oates and Washbourne are publishing, at a low price, a series of books designed to cover the whole field of dogmatic theology. Each volume is written by a competent theologian, who explains in simple language some important point of Catholic Doctrine. The primary object of the series being neither apologetic nor controversial, but expository, the subject-matter of the volumes has been arranged accordingly. While every point of doctrine receives adequate treatment, the chief emphasis is laid upon the fundamental dogmas of the faith, concerning which, by reason of their sublime and mysterious nature, the knowledge even of Catholics themselves is apt to be less detailed and explicit. Incidentally, however, the series has considerable apologetic value, as setting forth in all their wonderful harmony the divine truths of the Christian revelation.

A complete prospectus and list of titles will be sent on request.

LITURGY FOR LAYFOLK

A NEW AND UNIFORM SERIES
OF THE LATIN-ENGLISH TEXTS.

THE publication of "The Missal for the Laity," in Latin and English, with the rubrics printed in their traditional colour, was made possible by that revival of interest in Liturgy which distinguishes the Catholic layfolk of this time and of this country. To have a part in the development of this liturgical movement, to supply its demand for certain books, to forestall and so to stimulate its desire for others, and also to attempt to revive in current liturgical printing those true traditions of craftsmanship which have been obscured for two hundred years, has now become the publishing policy, as it has long been the ambition, of Messrs. Burns Oates & Washbourne. All the volumes of the series are uniform in size with "The Missal."

THE DAY HOURS OF THE CHURCH. The complete text of the *Horæ Diurnæ* in Latin and English. Edited by the Benedictines of Stanbrook Abbey. With an Introduction by Abbot Fernand Cabrol, O.S.B. Printed on toned Oxford India paper, about 1,000 pages. New edition, with supplements for Great Britain, Ireland and America. From 9/- to 18/6.

THE MISSAL FOR THE LAITY. The latest (1928) edition has been completely revised, and contains supplements giving the special Masses for British dioceses and the Religious Orders. Prices 5/- to 40/-.

THE SMALL MISSAL. Mass and Vespers for Sundays and Holy Days. Printed in black only. Boards, 1/-; Cloth, 1/6; Pluvis, 2/6; Leather, 3/6, 5/-, 7/6.

THE LITTLE OFFICE OF THE BLESSED VIRGIN MARY. In conformity with the edition of the revised Roman Breviary. Prices from 2/- to 8/-.

THE LAYFOLK'S RITUAL. The Complete text, in Latin and English, of all those Offices of the Ritual at which layfolk have occasion to assist. With an Historical Introduction to each Office by Abbot Fernand Cabrol, O.S.B. Prices 3/- to 12/6.

THE PRYMER. Containing the Little Office, Office of the Dead, Litanies, etc. Prices 5/- to 15/-.
